PAPER SNOWFLAKE

1. 
Fold a square of paper corner to corner.

2. 
Find the middle of the folded edge.

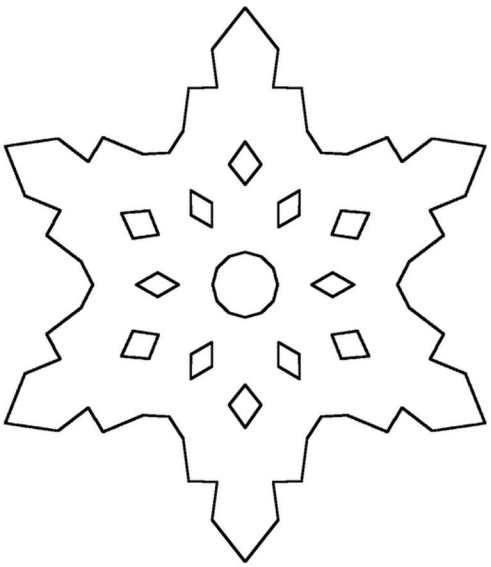

3. 
Fold it in three, like a cone.

4. 
Fold it in half again.

5. Copy the dashed lines onto your folded paper. Cut on them and cut off the grey parts.

6. **Open it up!**

Ask a grown-up to help with cutting.

Tip: thin paper is easier to cut.
